Dear ###

Response to Request for Information

Willenhall Road on junction of Neachells Lane Wolverhampton W

I can confirm that the information requested is held by City of Wolverhampton Council. I have detailed below the information that is being released to you (in blue).

Question

Today I had driven past Willenhall Road on junction of Neachells Lane Wolverhampton.

I saw at the crossroad Junction that variety of temporary cameras were installed directly on the traffic lights.

These cameras were low and were directly pointing at the persons inside the vehicle.

I would like to request information and or data on type of camera these are, and their purpose.

Response

These cameras are not CCTV, they are journey time monitoring cameras, they are only Temporary so will only be up for a few weeks, just enough to get journey time data.

Please quote the reference number 13359286 in any future communications.
